Directions

- Oral feeding.
- Add the product and stir, texture will be thickened in a few seconds. The resulting texture will remain as clear and transparent as it originally was.
- **ESPESANTE CLARO NM** can be added to any liquid or food under hot and cold temperature. Thickened texture can be either warmed or frozen without losing its properties and will last stable and consistent through time.
- **ESPESANTE CLARO NM** (neutral flavour) keeps any thickened liquid or food clear and transparent without altering the taste. **ESPESANTE CLARO NM** (red berries/orange) can be added to liquids and foods in order to create flavoured gellified drinks and desserts with soft, consistent and clear texture.
- Recommended for 125ml of liquid (aprox.).

Texture	Quantity
Nectar	2g (one teaspoon)
Honey	4g (two teaspoons)
pudding	6g (three teaspoons)
